Summary

Dedicated and detail-oriented Frontend Web Developer with expertise in JavaScript, jQuery, and the MERN stack, including React. Proficient in creating responsive and user-friendly web interfaces using SCSS/SASS. Seeking to leverage my skills and experience to contribute to a dynamic team and deliver innovative web solutions that enhance user experience and meet business objectives.

Experience

Frontend Developer Tech-Hub Faisalabad

03/2023 - 05/2024 Faisalabad

Utilized React.js within the MERN stack to build dynamic and responsive user interfaces, ensuring seamless interaction and real-time updates.

Implemented SASS/SCSS for modular and maintainable CSS, enhancing the design and aesthetics of web applications while optimizing performance.

Developed and maintained interactive web components using JavaScript and jQuery, ensuring cross-browser compatibility and a rich user experience.
